

The following are examples of projects we have recently completed

▶ Western Sussex Eye Care Unit, Southlands Hospital Shoreham

Western Sussex Hospital Trust commissioned Kier Construction (Southern) to refurbish one of the existing ward blocks into one of the South's leading eye care centres, constructed to latest Royal College of Ophthalmologists and Department of Health specifications. The new unit provides state of the art facilities including 16 multifunction consultation/examination rooms, specialist imaging facilities, a fluorescein angiography room and laser treatment room, as well as ophthalmic operating theatres, recovery areas and a waiting area for 85 people with a dedicated childrens' area. All facilities are fully accessible.

▶ Luton & Dunstable University Hospital NHS Trust Bedfordshire

RBC have worked on numerous schemes at Luton and Dunstable Hospital. In 2017 we were appointed by the NHS Trust for a refurbishment and remodelling scheme to provide additional waiting space and surgical facilities within the dentistry department.
