

# The following are examples of projects we have recently completed

Image kindly supplied by Claude Fenton Construction

## ► Agars Pavilion Eton College

RBC were appointed to provide full Building Control services for the refurbishment and two storey extension to the Cricket Pavilion and the refurbishment of the Pavilion flat

Image kindly supplied by Railston

## ► Gravity Trampoline Parks Nationwide

RBC have been appointed to provide full Building Control services for Gravity for a number of their new ventures, the centres are usually converted from old night clubs or warehouses, the raised height of the trampolines and walkways through the complex required careful consideration when planning escape routes. Trampoline Parks are now popular and RBC are proud to have worked with Railston on a number of them.

**Leisure & Sports Facilities**

# Leisure & Sports Facilities

## ▶ Colets Health & Fitness Club

### Surrey

NJ Carr and Associates have appointed RBC to provide building control services for the construction of a second floor office, western balcony and refurbishment and extension of the changing rooms.
