

The following are examples of projects we have recently completed

► Welbeck Street

London

RBC were appointed by Corrigan Soundy & Kilaidti to provide full Building Control services for the conversion of three large London town houses to offices that are part of the Howard de Walden estate. Alterations and extension to include demolition of two storey rear extension and erection of replacement extension.

► EDF Training Facility

Cannington Court, Nr Bridgwater, Somerset

RBC worked with BDG Architects, MACE and EDF Energy on the restoration and refurbishment of Grade I, 900 year old Priory building in Somerset. Initially, this was home to a Benedictine nunnery and latterly a college. The project has created training and accommodation facilities for EDF and has included detailed restoration of the Priory building.

Office Development & Refurbishment

Office Development & Refurbishment

▶ Avonmore Road London

RBC were appointed by 4form to provide full Building Control services for the conversion of the existing factory into an elegant, open plan office with a fresh airy feel. The roof of the building was rebuilt, insulated and weathered in single ply membrane to look like lead. The building was sympathetically restored to match the surround residential properties.
