

The following are examples of projects we have recently completed

► Holdford Hall Barn Plumley, Cheshire

RBC provided Approved Inspector services on this exciting project to extend and convert a large brick built 18th century barn into a fabulous events venue. The scheme has created a grand and imposing main hall with additional space within the first floor mezzanine along and ancillary accommodation, whilst retaining and enhancing the numerous historic features of the original building.

► University of Reading Student Union Reading, Berkshire

RBC provided Building Control services for the large extension to the Student Union building on the campus to provide a social area for the students, during the day it is a Café and in the evening becomes a Nightclub.

Pubs, Clubs and Venues

▶ The Ivy Restaurant Mayfair, London

RBC were appointed to provide full Building Control services for the remodelling of The Ivy Restaurant in conjunction with the conversion of the 3 floors above to form the private members Ivy club. The entrance to the club was originally part of a dance shoe shop and signatures from famous dancers are retained on the walls.
