► Berkeley Homes - Urban Houses

Reading, Berkshire

RBC have been appointed by Berkeley Homes to provide full Building Control Services for a development of four storey back to back town houses, with the top floor a conservatory/sun lounge. RBC have assisted with and agreed the fire strategy as these four storey homes are protected with an escape stair.

► Grove Market Place

Eltham, London

RBC were appointed by CJ O'Shea to provide full Building Control services, for this redevelopment of contemporary one, two and three bedroom apartments. Designed by Galliard Homes the development will feature an opulent entrance foyer with a concierge desk, lifts serving all floor levels and landscaped courtyards and gardens.

Residential

Residential

▶ Becketts Lane Chester

RBC were appointed by Ollier Smurthwaite Architects and Hale Estates to provide Approved Inspector services for this redevelopment site. The development created an elegant courtyard arrangement utilising the available space of a constrained site extremely effectively. The use of innovative fire safety features such as domestic sprinkler and watermist fire suppression systems facilitated the impressive layout of the development.

A selection of projects in the Residential sector
