

The following are examples of projects we have recently completed

Restaurants – Fast Food

► KFC Restaurants

Nationwide

RBC have provided Building Control services for more than 775 projects, over 16 years for KFC UK and their franchised restaurants, working alongside their approved list of architects. These projects range from new build drive-thru restaurants to High Street fit-outs and refurbishments. RBC have assisted in the development of new build model types for a national roll-out programme across the country

► Taco Bell Restaurants

Nationwide

RBC have worked alongside major franchisees on a large number of new store openings throughout the country.

Restaurants – Fast Food

Dunkin' Donuts Nationwide

- RBC are working alongside franchisees and their teams, providing Building Control services for fit-outs of existing retail units and restaurants, new build drive-thru units and new build restaurants.

A selection of projects in the Restaurants - Fast Food sector

PROJECT	DESCRIPTION	CLIENT
 Burger King	RBC have worked on numerous fit-outs and refurbishments of retail units to form new and updated restaurants. A number of these have been in existing shopping centres where we have worked closely with the centre management and local fire services to ensure that the existing fire strategies for these centres are maintained, with the introduction of the new restaurant units	Britsch Design
 Pizza Hut	We have worked on many projects with a number of franchisees, providing building control services for the internal refurbishment and alterations of existing high street units to form new Pizza Hut and Pizza Hut Express restaurants	AW Architectural Design
 7 Bone Restaurants	RBC have worked on a number of 7 Bone restaurants providing Building Control services for both fit out and refurbishments to their restaurants	7 Bone Holdings
 Deliveroo	Various conversions from warehouses to catering operations for several Deliveroo properties	LBF Architects
 Starbucks	Internal fit out and associated building works to stores in England and Wales with several architects from their approved architects list	@Architects Frank Belshaw Design Rapleys LLP Allen Associates Architects Cameron Wilson Project Services
