

The following are examples of projects we have recently completed

▶ Queens Theatre

Shaftesbury Avenue, London

RBC were appointed to provide building control services and fire consultation for the internal alterations and new roof plant of this restoration and refurbishment of the theatre valued at approximately £1.5million. The Queen's Theatre is currently owned and run by Delfont Macintosh Theatres, who are undertaking the refurbishment and restoration of the Theatre.

▶ Prince Edward Theatre

London

RBC were appointed by Kilker Projects and Delfont Macintosh Theatres to provide building control and fire consultation services for the refurbishment of new VIP toilets and the installation of new ventilation system to the auditorium.

Theatres and Cinemas

Theatres and Cinemas

▶ Cineworld

Trocadero, London

RBC were appointed by W Hiles Partnership to provide building control and fire consultation services for the refurbishment of an existing cinema. The refurbishment works consist of creating bars and a members bar as well as screens on five floors.
